SUPPLEMENTARY INFORMATION:

Background

On August 1, 2011, the Department published a notice announcing an opportunity for interested parties to request an administrative review of the antidumping duty order on certain tin mill products from Japan. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 76 FR 45773 (August

1, 2011). On August 31, 2011, U.S. Steel filed a request that the Department initiate an administrative review of the antidumping duty order on certain tin mill products from Japan with respect to JFE Steel Corporation, Kawasaki Steel Corporation, Nippon Steel Corporation, NKK Corporation, and Toyo Kohan Co., Ltd. Based on U.S. Steel's request, on October 3, 2011, the Department published a notice of initiation of the administrative review of the antidumping duty order on certain tin mill products from Japan. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 76 FR 61076 (October 3, 2011).

Rescission of Review

In accordance with 19 CFR 351.213(d)(1), the Department will rescind an administrative review, "in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The Secretary may extend this time limit if the Secretary decides that it is reasonable to do so." On December 8, 2011, U.S. Steel withdrew its request for a review of the order with respect to JFE Steel Corporation, Kawasaki Steel Corporation, Nippon Steel Corporation, NKK Corporation, and Toyo Kohan Co., Ltd.

Because of the withdrawal of the request for review and because we received no other requests for review, we are rescinding the administrative review of the order with respect to JFE Steel Corporation, Kawasaki Steel Corporation, Nippon Steel Corporation, NKK Corporation, and Toyo Kohan Co., Ltd. (*i.e.*, all companies). This rescission is in accordance with 19 CFR 351.213(d)(1).

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For these five companies, the antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).
